

## **ATTENTION STUDENTS AND FAMILIES:**

### ***Start Exploring Your Future Career Today!!***

Berks County Area High School Students are invited to participate in a career exploration program hosted by East Penn Manufacturing. As a member of our Club, students will be able to learn more about manufacturing from top level offices, a manufacturing standpoint, and all levels in between.

Regular meetings will be held once a month on Tuesday evenings. Each of these meetings will feature “hands-on” activities of specific relevance to the topic being highlighted. The first three meeting planned are Fire

Safety, Site Layout and Manufacturing Services, and Plumbing/HVAC.

Registration is required. A small fee and parent signature are required to join East Penn Manufacturing Exploring Post 1946.

The first meeting will be held on Tuesday, November 1<sup>st</sup>, 2016 at the Central Services Building beginning at 6:00 pm & ending at 8:00 pm.

If you have any questions, please contact Joshua Potts at [joshua.potts@scouting.org](mailto:joshua.potts@scouting.org) for more information.
