## Goals of Camp

To Van Reed and Lincoln Park youth football players:

*My staff, players, and I would like to invite you to participate in the Wilson Youth Football Clinic. We as a staff are looking forward to this opportunity to work with you, the future of Wilson Football. Our players are excited to share what they've learned with you as well.*

***Coach Dahms***

This is a ***VOLUNTARY*** pre-season football camp for all prospective youth football players. The high school coaching staff and players will be on hand to provide instruction on various aspects of the Wilson football philosophies. On both Wednesday and Thursday night, the high school coaches and players will be working in a joint effort with the Van Reed and Lincoln Park coaches for an evaluation process of players and football techniques and philosophies. This camp is being held for fun, and the players attending can get a head start on the terminology, techniques and our method of calling plays. Coaches will provide instruction on stance and various football drills.

The goal of this camp is to provide the prospective players instruction by the coaches and for all players to see how the program functions prior to practice beginning. This camp is a good opportunity for players and coaches to get acquainted with each other.

**THIS IS A NON-CONTACT CAMP.** Players DO NOT wear their equipment; they may wear shorts and tee shirts. They are, however, advised to wear their spikes.

Participation in this pre-season camp all four days will allow you honorary membership in the Wilson Football Tradition Club as well as a Wilson Football Camp T-shirt.
