# become a substitute teacher

**guest teacher training  
January 26-27, 2022**

The Berks County Intermediate Unit offers a Guest Teacher Program for individuals who are interested in serving as substitute teachers in Berks County. The program is designed to provide participants with limited or no classroom experience with the necessary training to qualify as day-to-day substitutes. Anyone possessing a bachelor's degree in any field from an accredited college or university is eligible to apply.

Guest Teacher training is offered at the BCIU main office in Muhlenberg Township, located at 1111 Commons Boulevard, Reading 19605. The program fee is \$25.00, which includes the cost of the two-day training and the initial emergency permit fee.

Through the Guest Teacher Program, participants learn about classroom management, lesson-planning, special education services, development and behavior of age groups, and how to deal effectively with today's students. After meeting all PA Department of Education emergency permit eligibility requirements, successfully completing the two-day training, and submitting all required paperwork, the BCIU will apply for a Type 06 day-to-day substitute emergency permit on a new Guest Teacher's behalf. Once the permit is approved, a Guest Teacher becomes eligible to apply to work as a day-to-day substitute in any subject area and grade level for the academic school year in the following participating Berks County public school entities:

Antietam - Brandywine Heights - Conrad Weiser - Daniel Boone - Exeter Township - Fleetwood - Kutztown - Oley Valley - Schuylkill Valley - Twin Valley - Wilson - Berks Career & Technology Center- BCIU

Please note that the emergency permit sponsored by the BCIU qualifies an individual to substitute in short-term assignments only at the participating Berks County public school entities above.
