

## **Wilson School District Mercantile and Business Privilege Tax on-line filing/payment option:**

The annual Mercantile and Business Privilege Tax Return may be filed on-line and paid with an electronic check (ACH).

**Please note: electronic payment (ACH only from a savings or checking account) and attached documentation (PDF format only) are both required in order for your on-line tax return filing to be a complete submission.** There are no convenience fees charged for on-line payment. The system will allow an ACH payment to be scheduled a maximum of 10 days in the future from the date of the on-line tax filing. The 2016/17 annual tax return and payment must be successfully submitted by April 18, 2017 in order to be considered a timely filing. If you submit the filing after April 18, 2017, the system will automatically calculate the penalty and interest due.
