

Keep Informed with the **Bulldog Blitz**

The **Bulldog Blitz** is a weekly E-newsletter sent out by Wilson School District to help parents, teachers, students as well as the community stay informed of the latest District news and events. It also provides valuable links to notices, flyers, websites, as well as contact information.

Also, in an effort to preserve our environment, the **Bulldog Blitz** is also the ONLY WAY that district-wide flyers & handouts are distributed. Individual schools/PTOs may send paper flyers home, but the District does not.

If you would like to receive the Bulldog Blitz, please visit
