

# SOUTHERN MIDDLE SCHOOL PATIO CAMPAIGN

Southern Middle School is in the process of developing a patio/picnic area for our students and community. This area will provide a long term benefit to our community members, as well as our school groups/activities both inside and outside of the school day. Research shows that providing balanced programming (including academic, extracurricular and athletic programs) produces students who are engaged and achieving.

The new patio/picnic area will be in front of Southern Middle School and right beside Cornwall Terrace Elementary. This new area will have a picnic/sitting area for student and community members to eat and socialize. Additionally, a Gaga pit will be constructed to provide students with a fun and engaging activity to participate in during lunch and after school hours. This area will give our students an outlet so they can be fully engaged in their academics.

In an effort to facilitate this project, we are launching the Southern Middle School Patio Campaign. You can be part of this incredible project by purchasing an engraved 4" X 8" engraved brick . Bricks can be ordered with or without a graphic and are \$100 each.

## **Please follow these simple steps to order your brick(s);**

The reverse side of this form has templates for each layout as well as 18 different options for graphics. Use the templates to create your design. Please be aware that spaces and punctuation **DO** count as characters.

Once you have decided on the layout and/or graphic, complete the additional information on the form and mail it along with the appropriate payment made payable to "Wilson Education Foundation" to:

Wilson Education Foundation  
Attn: SMS Patio Campaign  
2601 Grandview Boulevard  
West Lawn, PA 19609

If you would like your brick to be included in the Spring unveiling, the deadline to order is January 15, 2016. Bricks can still be ordered until March 11, 2016 and will be installed at a later date.
