### Attendance

A note is required for **all** absences and is required within 3 days of return to school. Blank excuses will be sent or mailed home to be completed and signed if we do not receive one. Please check your child's backpack/folders on a regular basis for those.

Any days we do not receive an excuse for will be marked **unexcused**. Accumulation of 3 unexcused days (consecutively or not) will result in a letter from the Director of Pupil Services warning that each additional day will result in a referral to the District Magistrate,

which could result in a fine. Students who are truant may be placed on a Truancy Elimination Plan.

If you need to submit a doctor's note, please use the office fax number 484-334-6442. This will help us cut down on the amount of parents stopping into the main office.

### Additional Information

There will be no parent volunteers this school year. The WatchDOG Dad Program will not be available for the 2020-2021 school year. We hope to be able to resume in the future. .

Due to Covid, we will no longer hold items in the office for students to pick up. If a student forgets something, parents will be allowed to put things on a table in the vestibule for the child to come pick up. Please make sure the student's name is CLEARLY labeled on the items. The office will call the classroom to have the student come retrieve the item. Any items not claimed by the end of the day will be placed in the lost and found.

## From Mr. Nelson- Band

4th and 5th grade students may sign up to begin a band instrument this year. Follow the link to [Wilson Elementary Band Web Page](#) to meet the teachers, learn about the band program, and listen to possible instrument choices. Parents may then click the links on the web page to sign up for the Wilson program and rent an instrument from Menchey Music. Please sign up for the band program by September 8.

## From the Library

Welcome to the new school year! Your GV Library is still here for you - to support your learning and your reading for enjoyment. Please visit our [GV Library LibGuide](#) (website) to access all of our wonderful digital resources.

We plan to circulate library books to students this school year. We are finalizing the details of this plan and will share the process with you as soon as possible. The plan will follow all guidelines to make this a safe process for everyone involved.

If there is anything I can do for you or any other information I can provide, please feel free to contact me. Best wishes for a safe and healthy school year!

## From the Cafeteria

For children that pack a lunch, please keep in mind that glass containers are not permitted.

Please send your child to school with a water bottle each day. The drinking function on the water fountains have been disabled, but students are still able to use the bottle filling function.
