From The Nurse

Happy Spring!

The trees and flowers are in bloom and allergy season is upon us. Please make sure if your student takes allergy medication for seasonal allergies that you give it before they come to school. We do not administer allergy medication here at school.

Happy to see the sun? So are we but not the effects it can have on sensitive skin- please apply sunscreen before your student comes to school if they have sensitive skin and provide them a hat for when they are outdoors. We don't have sunscreen here at school, nor do we apply it.

Sensible shoes - being an active learner is part of being an elementary student. We encourage you to ensure your student wears footwear that allows them to move freely, run, jump and have fun.

Please remember to keep contact information current in skyward, including emergency and work numbers. Your emergency contact should live within the area and have permission to pick up your child if needed. We are only able to reach you about your child's well being if we have accurate information.

If you will be away for a trip or business and need to have a temporary contact. Please forward us a note or email with the dates you will be out of town and the person who is responsible for your child. Please include the name and phone number of the contact. Also, when sending paperwork for the nurse, please include your child's birth date.

Kindergarten and 3rd grade parents, please continue to send in medical/dental forms before the end of the school year.
