School Portraits are Around the Corner Green Valley Elementary School

Dear Parents and Guardians,

We are pleased to once again have the opportunity to photograph your student for the upcoming 2024-25 school year on:

Thursday, September 19th

For information to help prepare your student for Picture Day, please visit our website: www.legacyportraitphotography.com and click the

“Getting Ready for Your Session” tab

By using our new online prepay system, students will no longer need to bring in an order form or receipt of payment on picture day. Parents/Guardians will be able to prepay through the following link or QR code:

<https://shop.imagequix.com/g1001152170>

Order forms will be available in the office for those who need to pay with cash or check. This method of ordering/payment requires order forms to be given to the photographer on picture day.

We look forward to meeting and photographing your student this coming year.

Sincerely,

Kerri and Mark Searfoss
