## From the Nurse

**Medication Policy for 25-26 School Year-** ALL orders for medication will need to be renewed for the new school year 2025-2026, and the orders must be written after July 1, 2025. You will find the medication policy and forms at

<https://www.wilsonsd.org/school-nursing/medication-administration/>

**Parents of 5th-grade students-** Congratulations on your students moving up to middle school. Some housekeeping information as you move into summer: You must submit a physical for your student entering 6th grade. Since the 6th-grade students go to camp in the fall, it would be helpful to have a completed physical on hand before the trip, along with updated information in Skyward. The required physical can be completed from 8/25/25 throughout the 6th grade school year. Skyward information should be completed in August 2025 to account for the upcoming school year. Physical forms were sent home. Please check your child's backpack.
