

# Welcome to Wilson West Class of 2030!

Welcome to Wilson West Middle School! I hope your summer is going well and that your family has found some time to relax and rejuvenate. It's hard to believe that August is here already! The West staff has been busy gearing up for an excellent start to the school year. I wanted to provide you with some important dates now to mark your calendars and to let you know how excited we are to officially welcome our incoming 6th grade students! I can assure you that our outstanding faculty and staff are committed to making sure that this transition from 5th grade goes as smoothly as possible. We strive to create a learning environment where children are deeply cared for, supported, engaged, and challenged, as these next three years will serve as a critical time period in their K-12 educational journey. There will be additional information provided to you and posted on our website as we get closer to the start of the school year. Please feel free to reach out to me with any questions you may have.

Sincerely,

Chris Rada
