

# CONCURRENT ENROLLMENT PROGRAM

Albright College's Concurrent Enrollment Program provides an opportunity for high school students to take up to four Albright College courses, concurrent with taking courses at their high school. The Program is available to juniors and seniors at high schools which participate in the Concurrent Enrollment Program (CEP).

Students may take a maximum of two Dual Enrollment courses per academic year. In order to continue in the Program, students must receive a minimum grade of "C" in each CEP course.

Students who wish to be admitted to the CEP must submit the following by the application deadline:

- Complete the CEP application;
- Be endorsed for this Program by their guidance counselor;
- Have a cumulative grade point average of 3.0 or 85 in the subject area(s) of the Albright course;
- Submit a high school transcript and, if available, their SAT, ACT and/or PSAT scores; and
- Submit their high school schedule for the term of the concurrent enrollment.

CEP application deadlines: Fall semester – August 15

Spring semester – January 15

Summer term – June 1

Prior to starting coursework at Albright, first time participants are required to schedule a two-hour new student orientation at Albright College.
