## The Official SAT Online Course™

*Interactive instruction, official practice tests and immediate scoring*

The Official SAT Online Course™ is the only online course developed by the test maker. It is personalized, comprehensive and available 24 hours a day from any computer with an Internet connection. Students can use the course outline as a syllabus for the classroom or as a guide for self-paced study.

- ▣ **18 interactive lessons** cover the SAT's reading, writing and mathematics sections and enhance classwork or develop a separate curriculum that helps students get ready for the SAT.
- ▣ **10 practice tests** help students gain confidence by becoming more familiar with the test format, directions and types of questions.
- ▣ **600 additional questions** help reinforce key concepts.
- ▣ **Explanations of answers** allow students to focus on areas of improvement by reviewing explanations for correct and incorrect answer choices.
- ▣ **Auto essay scoring** provides students and teachers with immediate feedback on scores and practice essays.
- ▣ **Student-, class-, school- and district-level reports** enable educators to follow students' progress.
- ▣ **Score and skills reports** provide valuable feedback to help students get ready for the test.

## The right way to get ready

Taking the SAT is an important step in applying to college and making college dreams come true for your students. Educators do so much to help students get ready for the test by helping them:

- ▣ Understand the test's importance and value
- ▣ Develop strong and lasting study habits
- ▣ Register and plan for test day
- ▣ Receive, interpret and send SAT scores to the colleges of their choice

While there is no substitute for real learning — knowledge building with no shortcuts — there is value in practicing on real tests under actual testing conditions. Only the College Board offers official SAT practice tools and resources that:

- ▣ Encourage a college-going culture among students
- ▣ Empower students to feel more confident in their abilities
- ▣ Allow students to show colleges what they know

Visit the SAT practice site at [sat.collegeboard.org/practice](https://sat.collegeboard.org/practice) to see firsthand how these valuable tools can help your students shine.
