Natalie Cummings, Canon-McMillan High School (Washington County)

Brandon McDermott, Chartiers Valley High School (Allegheny County)

Hudson Wagner, The Linsly School (Washington County)

STREAM OF LEARNING

Scholarship Program

At Pennsylvania American Water, we take measures today so that we can continue to provide quality service for generations to come. One way we do this is by offering scholarship assistance to help attract talented young people to our industry.

Through our Stream of Learning Scholarship Program, we offer \$1,000 scholarships to 10 outstanding students charting a course of study in fields critical to the water and wastewater industry.

WHO CAN APPLY

To apply for a scholarship, students must:

- Live in a household that is served by Pennsylvania American Water.*
Note: Students may attend college outside of our service area.
- Plan to attend a two- or four-year college or technical school.
- Plan to study environmental science, biology, engineering or chemistry.

* Family members of Pennsylvania American Water employees are not eligible.

HOW TO APPLY

Submissions must include the following:

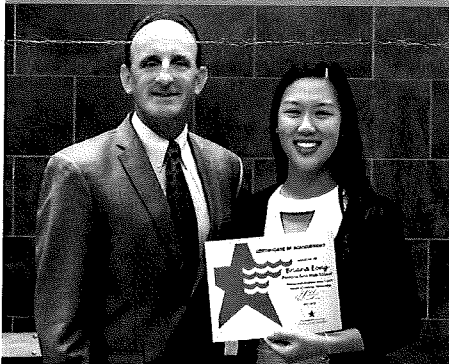

- Completed and signed application.
- Letter of recommendation from a teacher or community service leader, including phone numbers.
- One-page essay on your career interests and how they benefit the water and/or wastewater industry.
- Student's official high school transcript. Applicant's cumulative Quality Point Average at the end of the first semester of the senior year must be 3.0 or greater.
- Copy of the student's household water bill to verify eligibility.

DEADLINE TO APPLY

Applications must be postmarked by March 23, 2018, and mailed to: Lorrie Page, Pennsylvania American Water, 800 W. Hersheypark Drive, Hershey, PA 17033. Winners will be announced and scholarship presentations will be made in May 2018.

FOR MORE INFORMATION

Contact Lorrie Page at 717-531-3204 or lorrie.page@amwater.com.

Dear Teacher:

You are invited to enter your students in Pennsylvania American Water's Annual **Protect Our Watershed Art Contest**. This contest for fourth-, fifth- and sixth-grade students is open to all schools within our service area.

We encourage you to offer the contest as a fun and imaginative way to draw children's attention to the protection and preservation of Pennsylvania's watersheds. What's more, the contest can help supplement the teaching of water curriculum in your classroom. Pennsylvania American Water also offers watershed protection presentations, which we can tailor for your students to complement the contest.

By participating, your students will not only learn about the value of our precious water resources, but they also have the chance to win valuable gifts from Barnes & Noble – and earn positive recognition for your school!

Enclosed are contest rules and guidelines and sample entry form. All entries must be postmarked by **April 13, 2018**. Each student that participates will receive a certificate, so please make sure that the children's names and contact information are written **clearly and legibly** on the entry form. If you have questions or want to learn more, please contact me at 610-670-7789, ext. 1009 or terry.maenza@amwater.com, or Lorrie Page at 717-531-3204 or lorrie.page@amwater.com.

Sincerely,

Terry M. Maenza
Director, Communications & External Affairs
