You can make a difference.

The United Way of Berks County Volunteer Center
helps you help others.

The **2019 Holiday Giving & Volunteering Guide** is designed to provide you with information on the needs of agencies serving Berks County. You can make a difference in the life of a child, family, older adult, organization or individual during the holiday season. This guide will provide details on donations, volunteer opportunities and “fulfilling wishes”. Please contact the agency you wish to assist and inform them of your interest in helping.

** Please be sure to mention you read about their needs in the United Way of Berks County Holiday Giving & Volunteering Guide **

Tips on Holiday Giving and Volunteering

- You can donate as an individual or bring together friends, family, neighbors, colleagues, or church group members.
- Please contact the agency directly **before** you begin a collection drive or volunteer project on their behalf – the agency’s needs may have changed.
- Please keep in mind that agencies are often overwhelmed during the Holiday season; please be patient.
- Remember the Holiday season comes once a year, but volunteer opportunities are available all year long! The best Holiday gift you can give our community is your commitment to service. Please visit www.uwberks.org to find opportunities that match your interests and availability.

We are asking for donations of items for this special day. Popular items include costume jewelry, necklaces that can go over the head, and stretchy style bracelets. Berks Teens Matter

The Gift of Gift Cards

This holiday season you can join BTM in supporting our youth to develop and share knowledge about healthy relationships. We would appreciate donations of gift cards to support our youth activities in the community. If you have (or have been) a teen, you know the value of gift card giving. The dollar amount of the card is irrelevant when compared to the magic of holding purchasing power in the palm of your hand! \$5 gift cards to teen friendly sites in the community (Yogo Crazy, McDonald's, etc.) are the most popular 'refer-a-friend' reward at our Health Resource Center. Additional gift cards for the same/similar locations can be used to support post-meeting-outings for our Youth Ambassadors throughout the year.
