

To whom it may concern,

Caron Treatment Centers is once again offering a graduating senior from each Berks County high school with **The Richard J. Caron Award**. This scholarship recognizes students who have overcome a behavioral health obstacle and achieved success in the school environment.

The student nominated from your school for **The Richard J. Caron Award** will receive a \$500 scholarship. From these nominations, one student will be selected to receive *an additional \$500* for an All-County Award total of **\$1,000**. The recipient of the All-County Award will be honored at Caron's Berks SAP Professional Development Day in August and Berks County Community Service Awards Breakfast if held.

Each student nominee is required to submit a typed essay, 500 to 750 words in length. The essay will be judged on **both content and grammar**. *The essay should include a description of what the student **learned** from his/her experience, as well as the student's **plans** for continued personal growth.*

The completed essay should be submitted with the attached nomination form **no later than March 30th, 2021**. Late submissions will not be eligible for the All-County Award. The school will be notified by April 15th, 2021 if their student is the All- County Award Winner.

Nominations should be mailed to Caron Treatment Centers, Attn: SAP Department, PO Box 150, Wernersville, PA 19565 or emailed to jmoyer@Caron.org. If you have any questions, please work with your Caron SAP Specialist or call Jennifer Moyer at 484-345-2750.
