

Dear parent(s),

Your student is getting ready to take the PreACT as part of a district testing program. The PreACT will be on %%Test Date.

The PreACT grade test is aligned to the ACT test and is given to:

- Monitor progress toward college and career readiness
- Provide Subject and Composite scores aligned to the ACT 1-36 score scale
- Predict performance on the ACT
- Provide an Indicator of Progress toward Career Readiness
- Provide supports for college and career exploration

We also want to share an exciting FREE resource, ACT® Academy™, to help your student prepare.

Check out ACT Academy: act.org/academy

ACT Academy provides a wide variety of free resources that specifically address students' learning needs. Through ACT Academy, students get the best resources from top publishers, all in one place, to help them prepare for the ACT. Additionally, ACT Academy enables students to take practice subject tests and upload their previous ACT or PreACT® scores to create a personalized practice plan. All for free.

Your student can register for a free account and begin using ACT Academy immediately. As a parent, you also can create an account to explore the site and access valuable resources. Just click on "I am a parent" on the website to get started.

Sincerely,

%%Name%%
