

March 28, 2022

Dear Guidance Counselor:

Pennsylvania American Water is proud to announce the kickoff of its Annual Stream of Learning Scholarship Program, which provides scholarship assistance to students charting a course of study in fields critical to the water and wastewater industry. New this year, we have increased our scholarship award amount to **\$5,000** and expanded the eligibility criteria to cast a wider net for potential applicants.

Eligible applicants must be pursuing 2- or 4-year college, university or technical school degrees or certifications in environmental science, biology, engineering, chemistry or DEP-certified water/wastewater operation programs. Qualified applicants must also maintain a permanent residence in Pennsylvania and be attending a Pennsylvania college, university or career/technical school in the 2022-2023 school year.

Applications must be submitted by **April 30, 2022**. Winners will be selected by a panel of judges and be announced in May. More information and an online application form can be found at <https://www.amwater.com/paaw/news-community/careerstream>.

Thank you in advance for your assistance in sharing this information about the Stream of Learning Scholarship Program with your high school seniors. If you have additional questions, please contact us at pa.communityrelations@amwater.com.

Sincerely,

Laura Martin
