

Stay Up-to-Date at Wilson

Wilson School District has a number of ways for District students, staff and community members to stay up-to-date with the latest District news and happenings.

- **District Website** - The District website is the best place for important announcements and notices, as well as links to contact information and schedules. The District Website is www.WilsonSD.org
- **Social Media** - From important student information to pictures of what is happening throughout our school buildings, this is the place to stay in the know!

Like our official Facebook page
