Please ask your child's Supervisor, if at any time, you have a question about the activities.

Our staff of highly qualified professionals will provide a program that includes:

Our School age program is designed to be a relaxed, positive and rewarding experience for you and your child.

If your child has an IEP or IFSP, written plans, and/or special needs assessments, we request that the documents be given to the Child Care Supervisor to meet your child's educational needs.

Parent Partnerships:

Communication is an essential part of the equation for student success. We will use bulletin boards, white boards, or written notices to communicate what is occurring. We offer parent conferences to discuss a child's progress and behavioral, social and physical needs. Parents are asked to complete a Getting to Know You questionnaire at the start of the program and the answers enable us to better support your child's learning needs.

Items from home:

It is advised that children do not bring items from home. Our staff cannot be responsible if your child's items are lost or stolen.

Snacks:

A snack is served in the afternoon.

****We are NOT a Peanut-Free facility****

Fire Drills:

Department of Human Services requires one fire drill within every 60 days. Children enrolled in the School Age program will participate in fire drills and will be instructed in fire safety procedures.

Field trips may be planned to extend and enhance the child care experiences. Parental permission is required for participation in field trips. Payment of admission fees and transportation fees are the responsibility of the parent.

These days cannot be carried over to the next school year or summer program.

Change of Contract Fee:

Depending on the nature and severity of an illness, a child may be excluded from child care at the discretion of the Supervisor. This, of course, is for the health and well-being of **all** children in the program.

Due to concerns about choking and their lack of any noticeable effect, cough drops are not permitted in child care. **Cough drops will not be dispensed and they are not to be sent to school from home. They pose a choking hazard.**

Communicable Diseases:

A physician’s excuse must be presented in order to return to child care for the following communicable diseases: Measles, Whooping Cough, Respiratory Streptococcal Infections, Scarlet Fever, Mumps, Impetigo, Pinkeye, Ringworm, Scabies and Mononucleosis. Our regulations require that a pupil with chickenpox be excluded from child care. Students may return to childcare when their Physician has examined the students to make sure all of their chickenpox vesicles are dry and have scabs and to make sure they do not have a fever. Our regulations require that a pupil with head lice or nits be excluded from child care. The student must report to the child care supervisor to be cleared before readmitted to child care.

Immunizations:

The Department of Human Services states that the facility shall require the parent to provide updated written verification from a physician, physician's assistant, CRNP, the Department of Health or a local health department of ongoing vaccines administered to a child in accordance with the schedule recommended by the ACIP. (Advisory Committee on Immunization Practices)

Medical Examinations:

Child care regulations in Pennsylvania require all school age children to have medical examinations upon entering Kindergarten. If a child is newly enrolled after Kindergarten, an updated medical examination is required. A Child Health Assessment must be on file within 60 days after admission to the program to prevent termination of services. Please have your physician complete all age appropriate screenings. Incomplete assessments will be returned to you for completion.

The administration of Medicine during child care hours will be permitted only if the medications are absolutely necessary and failure to administer them would jeopardize the health of the child.

Hand sanitizers are not permitted during child care hours.

Use of Inhaler:

Children who carry inhalers and that may have permission from their physicians to carry and self-administer the inhaler during school hours, are NOT permitted to carry inhalers when in the Child Care program.

- Inhalers must be given to a Child Care Staff member upon arriving at the program.
- Children with permission to carry an inhaler during the school day are required to give the inhaler to a staff member when arriving at Child Care. The staff member will return the inhaler to the Parent/Guardian when the child leaves.
- A medical log must be completed by the parent before the inhaler can be administered. Inhalers being used on an “as needed” basis will need this stated on the medication log. An additional note will need to accompany the medication log with specific symptoms the child should be experiencing for the inhaler to be administered. The inhaler would be administered with a staff members help or supervision.

Use of EpiPen:

- A child who requires the use of an EpiPen, must provide an EpiPen to be kept at the child care center.
