

The Wilson Education Foundation (WEF) positively impacts students' lives by supporting the Wilson School District in three areas: Student Experience, Teaching Excellence, and Community Engagement. The purpose of the Foundation is to help provide our students (K-12) with a differentiated education over and above what could be paid for by our tax base alone. The non-tax dollars raised by WEF, a 501(c)(3) organization, support academic programs, grants, scholarships, district events, facility upgrades and more. Businesses, parents, and community members can help support the efforts of the Foundation by becoming an **Honor Roll Sponsor!**
