Defined terms in the General Conditions shall apply to all of the Contract Documents.

Bid Form: Each Bidder must submit its Bid on the "Bid Form" and must also submit therewith the Non- Collusion Affidavit, Acknowledgment--Receipt of Revisions/Addendum, Bidder's Past History, Bid Bond and the Bid Certification. The School District will notify the successful Bidder at the time when Bids are awarded. The successful Bidder shall be referred to herein as the "Supplier."

Bid Bond: Each Bidder must submit with this Bid a "Bid Bond" which shall be a Bid Bond or certified check payable to Wilson School District in the amount of at least ten percent (10%) of the Bid price. The Bid Bond or certified check shall be retained by the School District until the successful Bidder enters into the Contract with the School District in the attached form whereupon the Bid Bonds or certified checks shall be returned to the unsuccessful Bidders.

Permits: Supplier shall obtain all permits required by law and shall perform its obligations hereunder in accordance with the terms of the Contract Documents and to the satisfaction of the School District, and shall comply with all laws, rules and regulations of the U.S. Government and Commonwealth of Pennsylvania, and any department or agency thereof.

Intent of Specifications: The successful Bidder shall abide by the true intent of the Specifications and Contract Documents.

Nature of Agreement: The quantities listed on the detailed Specifications are merely estimates of the School District's needs, and are provided solely for bidding purposes so that bidder can provide a price. Those quantities that are listed on the detailed Specifications are strictly estimates, and the School District is not committing to purchase such estimated amounts, nor is the School District committing to purchase any minimum amount, and can purchase none if the School District so chooses. Furthermore, the School District may purchase a greater quantity than the quantity listed on the detailed Specifications, if the School District elects to do so, in its sole and absolute discretion. In the event that the School District elects to purchase a greater quantity than the quantity listed on the detailed Specifications, the price for such additional quantities shall be per the lesser of: (i) the "Unit Price" included on the Bid Form for each item requisitioned; or (ii) the lowest price previously quoted to or charged by the Bidder to the School District for like goods or services in like quantities under similar circumstances. The products, materials and equipment to be ordered by the School District shall be requisitioned on an as-needed basis. In the School District's sole and absolute discretion, upon written notice to the Supplier, the School District reserves the right to purchase additional **supplies** that are in conformance with the detailed Specifications for up to six (6) months immediately following the date of the bid opening upon the same terms and conditions set forth in this bid package and the Contract Documents.

Price: Supplier warrants that the prices stated on the Bid Form are the lowest net prices charged by Supplier to any other customer for like goods or services in like quantities under similar conditions. If Supplier quotes a lower price within thirty (30) days after delivery to the School District, Supplier shall promptly pay to the School District a rebate in the amount of the difference of such amounts within ten (10) days of making such lower quote.

Delivery Due: The successful Bidder will be required to make complete delivery of Bid items to the School District **on or after JULY 1, 2020, but no later than AUGUST 7, 2020.**

Standard of Quality: Goods are to be new merchandise, not previously used or recycled merchandise. When a manufacturer and/or brand name and/or catalog number is specified, it is understood that the Bidder is responsible to provide the specified manufacturer and/or brand name and/or catalog number, as applicable, unless stated in the Contract Documents. The Specifications are intended to indicate quantity to be purchased, the quality, style, and specific features of the items and in some or all cases, a specific manufacturer and model of the item. Wilson School District is the sole determiner as to the quality and performance of the goods supplied by Supplier.

When no manufacturer, brand name or catalog number is specified, Bidder may substitute substantially similar goods for those specified. When doing so, the substitute item shall indicate clearly the manufacturer and/or brand name and the catalog number of such substituted items and provide a catalog cut which provides a description of the item sufficient to permit the School District to properly evaluate the substitute. The catalog cut shall be marked in a manner to easily identify it with the item bid.

Bidders shall submit samples of the substitute items at the same place and time the Bid is due. Samples shall be of sufficient size and quantity for an adequate evaluation and may be altered or destroyed during testing and evaluation by the School District. If the Bidder wants the sample(s) returned, the Bidder shall state with the Bid that the sample will be retrieved by the Bidder. A sample shall become the property of the School District if not retrieved by the Bidder within thirty (30) days after delivery thereof.

Freight and Delivery: All goods delivered pursuant hereto shall be delivered F.O.B. (without charges for delivery to and placing on board a carrier at a specific point) to the **interior receiving area of the Wilson School District, 4 Cloister Court, Sinking Spring, PA 19608.**

Shipment shall be made only upon the receipt by Supplier of a written (or faxed, or emailed) written request signed by the School District. The requested supplies must be delivered to the School District by the date specified in the Contract Documents or as otherwise provided by the School District. Late deliveries will result in a one percent (1%) late fee for each day the delivery, or any portion thereof, is late, which late fee shall be applied to such delayed item's invoice, or any other invoice. The late fee provided herein shall not be the exclusive remedy of the School District upon a failure of Supplier to perform hereunder, and shall not interfere with or limit any other rights and remedies available to the School District upon a breach of the Contract Documents.

Delivery tickets and/or packing slips shall provide the following information: name of item, item number, quantity, Unit Price, invoice total and name of Bidder.

Failure to comply with these General Conditions, the detailed Specifications, or any other Contract Document is sufficient reason to refuse acceptance of any delivery, or portion thereof, with no liability accruing to the School District.

Upon acceptance as provided herein, providing the applicable invoices have been received by the School District, payment for such items will be made by the School District within **thirty (30) days of such approval.**

Reject Bids: The School District reserves the right to reject any or all Bids or parts of a Bid, to waive any informalities as received and to award the Bid in its entirety or to apportion such Bids into several smaller Bids in the School District's best interests.

Bid Withdrawal: Negligence by Bidder in preparing its Bid confers no right of withdrawal or modification of its Bid after such Bid has been opened. In such event, the School District may deduct such amounts from any application for payment, or other amounts invoiced by the Supplier.

Pending such dispute resolution, the parties shall continue to meet their other obligations under the Contract Documents. Payment of any fees by the School District shall not waive any rights, claims or remedies.

Limitation of Liability: Notwithstanding anything to the contrary, in no event shall the School District's cumulative liability to Supplier for all claims, liabilities, losses, damages, costs and expenses relating to the Contract Documents, or the goods or services provided thereunder, exceed the amount of the purchase price for any such goods or services that gave rise to such claims, liabilities, losses, damages, costs or expenses, less any amounts already paid by the School District for such goods or services. The School District shall not be liable to Supplier for any lost profit, loss of business, loss of goodwill, indirect, incidental, punitive or consequential damages under the Contract Documents or relating to the goods and services provided thereunder.

Indemnification: Supplier shall indemnify, defend and hold harmless the School District, and its affiliates, officers, directors, employees, agents, successors and assigns from and against any and all losses, obligations, liabilities, claims, suits, judgments, damages (whether incidental, consequential, or otherwise), penalties, fines, costs and

The indemnity provided in clause (e) is applicable to claims for which Supplier has or may have immunity under the Pennsylvania Workmen's Compensation Act, or other similar law, and Supplier agrees and acknowledges that by undertaking to indemnify the School District, Supplier is expressly undertaking indemnification liability by written contract pursuant to Section 303(b) of the Pennsylvania Workmen's Compensation Act, or any other similar law. Notwithstanding the above, once employment of a person who meets these conditions extends beyond ninety (90) days, all requirements of the Clearance Act and the Public School Code shall take effect immediately.

Notwithstanding the above, the School District may employ applicants on a provisional basis for a single period not to exceed ninety (90) days, except during a lawful strike proceeding under the provisions of the act of July 23, 1970 (P.L. 563, No. 195), known as the "Public Employee Relations Act (43 P.S. Section 1101.201, et seq.)," provided that all of the following conditions are met: (a) the applicant has applied for the information required under the Clearance Act, where applicable, and the applicant provides a copy of the appropriate completed request forms to the School District; (b) the School District has no knowledge of information pertaining to the applicant which would disqualify him or her from employment pursuant to Paragraphs (1), (2) and (3) as noted above; (c) the applicant swears or affirms in writing that he or she is not disqualified from employment pursuant to Paragraphs (1), (2) and (3) as noted above; (d) if the information obtained pursuant to the Clearance Act reveals that the applicant is disqualified from employment pursuant to Paragraphs (1), (2) and (3) as noted above, the applicant shall be suspended and subject to termination proceedings as provided for by law; and (e) the School District requires that the applicant not be permitted to work alone with children and that the applicant work in the immediate vicinity of a permanent employee who has all necessary certifications required by the Public School Code.

Prior to commencing the work under the Contract, Supplier shall submit for any employee or independent contractor who would be working on the School District site, pursuant to any work contemplated in the Contract, an official clearance statement obtained from the Pennsylvania Department of Public Welfare, pursuant to Act 151 of December

16, 1994 (P.L. 1292), Subchapter C.2. of the Child Protective Services Law, as amended from time to time. Supplier shall not allow any prospective employee or independent contractor on the job site prior to providing the School District with the above-referenced clearance statement for prospective employees or independent contractors.

Jurisdiction; Venue: Any suit, action or other proceeding seeking to enforce, or in any way relating to, any provision of the Contract Documents shall be brought only in the Court of Common Pleas of Berks County, Pennsylvania or the United States District Court for the Eastern District of Pennsylvania. Supplier irrevocably consents and submits to the jurisdiction and venue of such courts and irrevocably waives any objection which it may have to the laying of the venue of any suit, action or proceeding brought in such courts and any claim that such suit, action or proceeding brought in such courts has been brought in an inconvenient forum or that such courts lack jurisdiction.

Severability: If any provision of these General Conditions or the Contract Documents, or any portion thereof, is held invalid or unenforceable by any court of competent jurisdiction, the other remaining provisions will remain in full force and effect. Any provision of these General Conditions or any Contract Document held invalid or unenforceable only in part will remain in full force and effect to the extent not held invalid or unenforceable.

Waiver: Neither the failure nor any delay by the School District in exercising any right, power or privilege under these General Conditions, or the Contract Documents, will operate as a waiver of any such right, power or privilege, and no partial exercise of any such right, power or privilege will preclude further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

Governing Law: The Contract Documents and transactions contemplated thereby shall be governed by, and construed in accordance with, the domestic internal laws of the Commonwealth of Pennsylvania, without regard to its principles pertaining to the conflict of laws.

Confidentiality: The School District, or third parties on the School District's behalf, may disclose to Supplier, certain confidential or proprietary information ("the School District Confidential Information"). For a period of five (5) years after termination or expiration of the Contract Documents, Supplier shall not disclose and shall, to the extent within its control, prevent the disclosure by others of the School District Confidential Information to any third party without the prior written consent of the School District. Supplier agrees not to use, or make copies of, the School District Confidential Information except as required for the performance of its obligations under the Contract Documents, and agrees to limit access to the School District Confidential Information to its own employees, agents and consultants strictly on a "need to know" basis; provided, however, that such agents and consultants have executed an agreement with Supplier with confidentiality provisions at least as restrictive as those contained herein. Upon expiration or termination of the Contract Documents, or if requested by the School District, Supplier shall, to the extent possible, promptly return all of the School District Confidential Information. Supplier acknowledges that the disclosure of the School District Confidential Information of the other may give rise to irreparable injury which may be inadequately compensable in damages. To the extent Supplier breaches, or the School District could reasonably believe Supplier may breach, its confidentiality obligations stated herein, Supplier consents to the School District obtaining injunctive relief to prevent, or otherwise limit the damages of, any such breach or threatened breach and waives any requirement for the School District to post any bonds or collateral in connection therewith.

Acceptance of Goods. The School District's payment of the purchase price, or any part thereof, does not constitute acceptance of the goods or services. Goods and services are subject to inspection and rejection by the School District within a reasonable time following receipt by the School District. Risk of loss does not pass to the School District until acceptance of the goods or services. To the extent practicable, defective or nonconforming goods will be returned to Supplier, at Supplier's sole cost and expense, and the risk of loss with respect to such defective or nonconforming goods shall never pass to the School District and shall remain with Supplier.

Warranties. Supplier warrants that all goods, work or services furnished pursuant to the Contract Documents shall, as appropriate: (a) be new and free from defects; (b) conform to all designs, plans and Specifications; (c) be performed in a good, professional and workmanlike manner; (d) be merchantable, safe, fit and appropriate for the School District's particular purpose and use; and (e) be delivered free and clear of any claims, liens or encumbrances whatsoever.

Waiver of Consequential and Incidental Damages: The Supplier waives claims against the School District for consequential and/or incidental damages arising out of or relating to the Contract. This waiver includes, but is not limited to:

- (a) Consequential damages incurred by the Supplier for principal office expenses including, but not limited to, the compensation of personnel stationed there, for losses of financing, business and reputation, and for loss of actual and expected profits.

- (b) Incidental damages incurred by the Supplier including, but not limited to, costs resulting from stopping performance under the Contract, removing and transporting the Supplier's property (e.g., the Supplier's equipment, supplies and materials) from the project site, and storing the Supplier's property (e.g., the Supplier's equipment, supplies and materials) at an alternate location.

This waiver is applicable, without limitation, to all consequential and/or incidental damages, due to either the Supplier and/or the School District's termination of the Contract.

Interpretations:

- (a) Where required hereunder to effectuate the intent of the Contract Documents, masculine shall mean neuter or feminine and the singular shall mean the plural.
- (b) The captions and headings of various paragraphs in the Contract Documents are for convenience only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.
- (c) The invalidity of any covenant, restriction, condition, limitation or any other part or provision of the Contract Documents shall not impair or affect in any manner the validity, enforceability or effect of the remainder of the Contract Documents.
- (d) The parties hereto acknowledge that all of them have participated in the drafting of the Contract Documents and the parties hereto expressly waive the defense of contra proferentum, i.e., that the Contract Documents or any portion of the Contract Documents may be construed against any party as the drafter thereof.
