

ABOUT US

The **Wilson Education Foundation (WEF)** positively impacts students' lives by supporting the Wilson School District in three areas: **Student Experience, Teaching Excellence, and Community Engagement**

We provide our students (K-12) with a differentiated education over and above what could be paid for with our tax base alone. The non-tax dollars raised by WEF help to support academic programs, grants, scholarships, district events, facility upgrades and more.

All of this is possible thanks to the generous contributions made each year. Funds help support:

- Annual Venture Grants
- Scholarships for Graduating Seniors
- Community Projects
- District Technology Projects
- Summer Academic & Reading Camps
- Facility Upgrade Campaigns
- Wilson High School I-STEM Programs
- Community Events

VOLUNTEER

Our fundraising efforts would not be possible without the help of our volunteers who plan, organize, and assist at our events. We welcome you to get involved with the WEF and look forward to you joining our team!

As WEF is a 501(c)(3), your contribution is tax-deductible. Sponsorship payments can be paid in installments and/or tailored to your financial needs.

Thank you!
