

Wilson Health Services Department Newsletter

April 10, 2020

CLEAN hands are SAFE hands!

Remember to wash your hands for 20 seconds using soap and warm water. Wash your hands after before and after meals, after blowing your nose, coughing or sneezing.

PHYSICAL ACTIVITY

Try to get 30 minutes of activity each day! Some ideas include going outside for a walk or run, riding bike or scooter, hiking, gardening and yoga.

BOOST YOUR IMMUNE SYSTEM

1 cup plain Greek yogurt
½ cup mixed berries (blackberries, raspberries, blueberries)
4 teaspoons Elderberry Syrup
Crunchy granola

Put a few teaspoons of plain Greek yogurt in a clear glass. Drizzle two teaspoons of elderberry syrup over the top. Add a handful of blueberries, blackberries and raspberries on top of the yogurt.

Repeat with remaining yogurt. Add more elderberry syrup and berries. Top of with crunchy granola if desired.

WILSON NURSES ARE HERE FOR YOU!
