

Heating Cooking Instructions

Packaged Breakfast Entrees

For best quality: Preheat oven to 350° F. Place unopened package on sheet pan and cook approximately 14 - 16 min from frozen, or microwave 55 seconds.

French Toast Sticks

For best quality: Preheat oven to 350° F. Place French toast sticks on a sheet pan and cook approximately 10 - 12 min from frozen.

Frozen Vegetables

For best quality: Place in a microwave bowl, heat for 1-2 minutes; or 1/4 cup water to boil, add vegetables and steam for 4 -5 minutes.

Foil Wrapped Breakfast Sandwich

For best quality: Preheat oven to 350° F. Place unopened foil package on sheet pan and cook 13 - 17 min. To microwave remove from foil, place on plate, loosely cover, heat 50 - 55 seconds.

Hamburger or Hot Dog

For best quality: Heat in a frying pan on top of the stove with 3 Tbsp water. Flip during the heating process. Can also heat in microwave for 2 - 3 minutes.

Meat Balls or Macaroni & Cheese

For best quality: Heat in the microwave for 2 -3 minutes on medium high heat. Stir product, heat an additional minute. Let sit for 2 minutes, stir and check temperature.

Pizza or Quesadillas

For best quality: Preheat oven to 400° F. Place product on sheet pan and bake 17 - 21 min from frozen.

Fresh Baked Potato

Wash under clear water.
Microwave Preparation: Prick the potato with a fork. Cook in microwave for 4 - 6 minutes. May need an additional 1-2 minutes depending on size.
Oven Preparation: Preheat oven to 400° F. Place potato in pan, bake for 1-hour until soft.

Grilled Cheese Sandwich

For best quality: Preheat the oven to 375° F. Remove sandwich from foil wrap. Spread the outside of the bread with margarine or mayonnaise. Place the sandwich on a sheet tray on the foil in the oven. Heat for 13 - 15 minutes. Flip half way through the baking process.

Chicken Entrees

For best quality: Preheat oven to 400° F. Place product on sheet pan and bake 17 - 21 min from frozen.
