

Pandemic EBT (P-EBT) and YOUR Family

Under the Family's First Coronavirus Response Act a **new** benefit is available to help families who qualify for free or reduced price meals. The benefit will come on an Electronic Benefit Transfer Card (EBT), a debit card. The benefits can only be spent on food. The card is valid for 6-months.

How do I know if I am eligible?

- If you were already receiving SNAP (Food Stamps) or Temporary Assistance for Needy Families (TANF) you will get the P-EBT amount deposited on your EBT card for each student who is certified for free or reduced-price school meals.
- P-EBT cards will be mailed to households with students already enrolled in the free and reduced-price program when school closed.
- If you received Reduced meals and your income has changed fill out a new application to see if you now qualify for free meals.
- If your income has changed, and you did not receive meals during the school year you **MUST** complete an application in **Skyward Family**, www.wilsonsd.org or through COMPASS, www.compass.pa.gov. You only need to complete one application for your family.
- By applying NOW your meal benefit status will carry over into the 2020—2021 school year for the first 30-school days. You will need to complete a new application when school resumes in August.

What if I have moved?

- We must have your current mailing address. Send an email to **Marcia Guinther guimar@wilsonsd.org** with the names of your children and their ID number, along with your updated mailing address.
- If you receive Food Stamps the current address on file will be used to mail your P-EBT card. You must call 1-877-395-8900 to update your address.

How much will I get? Depending on when your application is processed you can receive \$176.70—\$370.50 per child.

Can we still pick-up meals through the Drive-up Program? YES! This does not change our pick-up program.
