**Participation Waiver for Communicable Diseases Including COVID-19**

The COVID-19 pandemic has presented participants of extracurricular activities across the world with a myriad of challenges concerning this highly contagious illness that primarily attacks the upper respiratory system. Some severe outcomes have been reported in children, and a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable. While it is not possible to eliminate all risk of furthering the spread of COVID-19, the Wilson School District will take necessary precautions and comply with recommendations from the federal, state, and local governments, including, but not limited to, the Centers for Disease Control (CDC), National Federation of State High School Associations (NFHS), Pennsylvania Department of Education (PDE), and Pennsylvania Interscholastic Athletic Association (PIAA), to reduce the risks to participants, coaches, staff, and their families. As knowledge regarding COVID-19 is constantly changing, the Wilson School District reserves the right to adjust and implement precautionary methods as necessary to decrease the risk of exposure for our students, coaches, staff, and their families.

The Wilson School District has created a comprehensive Athletics and Extracurricular Health and Safety Plan in order for participants to return to sports-related and other extracurricular activities safely. We ask that all of our participants, coaches, staff, and families read the Athletics and Extracurricular Health and Safety Plan prior to participating in any extracurricular activity. The Athletics and Extracurricular Health and Safety plan has been approved by our Board of School Directors and is posted on the Wilson Athletics website at [www.wilsonsd.org](http://www.wilsonsd.org)
