Delayed Opening and then a Closure of School:

Should there be a delayed opening of school and children are already in child care, and then a closure gets announced for Wilson School District:

- Parents will be contacted to pick up their child by a specific time, determined by Administration.
- Tuition rates for this type of day will be determined by the Administration.

Early Dismissal due to Inclement Weather:

Parents are asked to make emergency plans for the pickup of their children in the event of an early dismissal. Should an early dismissal be announced for Wilson School District, the School Age Child Care after school programs will be closed.

You are not required to pay for the afternoon session when the School Age Child Care program is closed due to inclement weather.

Please Note: The above guidelines reflect common weather occurrences but unfortunately we are unable to predict all of them. We will try to follow the above guidelines as much as possible, but other situations may arise causing us to adjust them. For the most updated information regarding a School Age Child Care closing, delay, or early dismissal due to inclement weather or other emergency situations, please contact our Wilson Child Care Hotline at 610-670-0180 x4900.
