

## Athletic Physicals

Physical examinations are required for any athlete wishing to participate in a school sponsored PIAA sport. Physicals must be certified on or after June 1 and are valid for the entire school year. Physicals are offered by the Wilson School District prior to the start of each sports season. If student athletes opt to have a physical provided by the District during one of the three designated athletic physical dates, the physical will cost \$20.00. Please check the Athletic Department website for the next physical date, as they are announced prior to each season. Athletes may also opt to have a physical performed by a private physician. The physical forms as well as recertification forms must be completed electronically via PlanetHS using the links below. Student accounts are already created using their Wilson email addresses. Student passwords are defaulted to "bigteams". Students should change their password immediately following their first log-in. Parents must complete the online registration and link to the student's accounts.

### PLANETHS FAQ

Q. Can a student create their own account?
