*\* = Items most needed or requested by the troops!*

**\*\*\*\*Monetary donations are needed to help us ship the care packages. This is always our biggest need by far. Shipping costs have increased and it doesn't matter how much "stuff" we have if we don't have money to ship it. There are thousands of troops who are counting on us to send them some love and cheer from home!**

**\*\*Please note:** 1) The U.S. Postal Service regulations do not allow anything in aerosol cans to be shipped. 2) Shipping currently takes about 14-21 days to the combat zones. It takes us about a week to get everything sorted and boxed. Please keep this in mind when you are checking expiration dates on food items. 3) We are currently **not accepting** any books.
