Spring 2023

WILSON HIGH SCHOOL ADMINISTRATION LETTERS

Welcome to another exciting season of Wilson Baseball and Softball! Our proud athletic programs are built on tradition and excellence; and are the result of the hard work, dedication, and commitment of our outstanding coaches and highly motivated student-athletes. Please keep in mind the sacrifices that these players and coaches have made, and recognize them for their exceptional talents and relentless effort to achieve success.

The Wilson School District is proud of the life lessons that can be taught through participation on our athletic teams. Among other things, our student-athletes will develop self-confidence, learn the importance of perseverance, and cultivate a team first mindset. Likewise, we recognize the important role that our athletic programs play in the development of well-rounded, community-oriented individuals. By participating on our athletic teams, it is our goal and expectation that our student-athletes will become respectful and responsible representatives of the Wilson School District and surrounding community.

Throughout the season, I am confident that our players, coaches, and staff will represent the Wilson School District in a positive manner. They will embrace our history, they will uphold our tradition of excellence, and they will pursue victory through hard work, good sportsmanship, and an unparalleled commitment to one another. In doing so, they will also be positive role models for our future Bulldog Baseball and Softball players in attendance.

Thank you for supporting Wilson Baseball and Softball. As you cheer on our Bulldogs, please do so with integrity and display good sportsmanship in the process. Whether you are a parent, a relative, a friend, or simply a fan, you are responsible for helping to ensure a wholesome environment for our student-athletes and those in attendance. As a representative of our school and community, let your actions reflect positively on Wilson Athletics.

Thank you again for your support and I wish nothing but the best for a healthy and successful season of Bulldog Baseball and Softball.

Drew Kaufmann
Director of Athletics

Welcome to the 2023 Wilson High School Baseball Season! There is no better way to welcome Spring than to hear the crack of the bats and cheers from the dugouts on our baseball and softball fields.

With a tradition of excellence in all we do, I look forward to cheering on our teams and coaches as they do their best to represent our great community with toughness, heart, and pride. The games of our student-athletes demonstrate countless hours of hard work and dedication to a "we, not me" philosophy. I encourage everyone to cheer with passion as we support our athletes while serving as role models as we set the standard of what Wilson Super Fans represent!

Athletic and extracurricular programs play a critical role in our students' development and help create a community where "people love to live." On behalf of the entire Wilson Community, I would like to thank our coaches, athletic trainers, and parents for their tireless commitment to these impactful programs. We are appreciative of everyone who contributes positively to our school district, as carrying the torch of excellence cannot be done without a team approach.

Go Bulldogs!
