

EXCELLENT STUDENT LATINO AWARD SCHOLARSHIP

As the Latino community in our Wilson School District continues to grow, we are delighted to offer a deserving student the opportunity to benefit from a scholarship, the Excellent Latino Student Award (also known as ELSA) for post-secondary education, be it for College or Trade School. The concept of this scholarship has been in the works for several years, and we are pleased to announce that during the 2023-2024 school year, we began actively working towards its implementation.

This scholarship would not have been possible without the dedicated efforts of Mr. Ramon Marquez, our 9th Grade Assistant Principal, and the Latino Association of Parents of the Wilson School District. Together, they collaborated with the Wilson Foundation for several months to bring this scholarship to fruition.

The Excellent Latino Student Award is designed to assist a student of Latino descent or any student who feels a strong connection to the Latino community. It will be presented to an outstanding senior at Wilson High School who demonstrates a commendable balance of academic excellence, participation in extracurricular activities, and leadership skills. The minimum requirements for this scholarship include a GPA of 2.5 and active engagement in any extracurricular activity. Additionally, applicants should exhibit qualities such as teamwork and perseverance. The selection committee will carefully review the application form, a paragraph detailing the applicant's character, two references from teachers or coaches, and academic performance to make their decision in awarding the scholarship each year.

In the event that there are no suitable applicants in a particular year, the committee reserves the right not to select an awardee. In such cases, the allocated funds will be returned to the endowment for future growth.

To be considered for the ELSA scholarship, please complete the attached application form and submit it to your Guidance Department by April 26th.

Thank you for your interest in the ELSA scholarship. We look forward to receiving your applications and awarding this prestigious scholarship to a deserving student.
