WILSON SCHOOL DISTRICT

Bidder: _____ Phone: _____

GENERAL CONDITIONS

These General Conditions shall apply to and become part of the contract between Wilson School District and the Bidder (the "Contract").

Contract Documents: The documents that will form the Contract between the Wilson School District (hereinafter, either "Wilson School District" or the "School District") and the Bidder are entitled "Request for Bids," "General Conditions," "Non-Collusion Affidavit," "Bid Bond," "Acknowledgement--Receipt of Revisions/Addendums", "Bid Certification", "Bid Form", "Contract," "Bidder's Past History," and "Specifications or General Requirements." Defined terms in the General Conditions shall apply to all of the Contract Documents.

Bid Form: Each Bidder must submit its Bid on the "Bid Form" and must also submit therewith the Non- Collusion Affidavit, Acknowledgment--Receipt of Revisions/Addendum, Bidder's Past History, Bid Bond and the Bid Certification. The School District will notify the successful Bidder at the time when Bids are awarded. The successful Bidder shall be referred to herein as the "Supplier."

Bid Bond: Each Bidder must submit with this Bid a "Bid Bond" which shall be a Bid Bond or certified check payable to Wilson School District in the amount of at least ten percent (10%) of the Bid price. The Bid Bond or certified check shall be retained by the School District until the successful Bidder enters into the Contract with the School District in the attached form whereupon the Bid Bonds or certified checks shall be returned to the unsuccessful Bidders.

Permits: Supplier shall obtain all permits required by law and shall perform its obligations hereunder in accordance with the terms of the Contract Documents and to the satisfaction of the School District, and shall comply with all laws, rules and regulations of the U.S. Government and Commonwealth of Pennsylvania, and any department or agency thereof.

Intent of Specifications: The successful Bidder shall abide by the true intent of the Specifications and Contract Documents.

Nature of Agreement: The quantities listed on the detailed Specifications are merely estimates of the School District's needs, and are provided solely for bidding purposes so that bidder can provide a price. Those quantities that are listed on the detailed Specifications are strictly estimates, and the School District is not committing to purchase such estimated amounts, nor is the School District committing to purchase any minimum amount, and can purchase none if the School District so chooses. Furthermore, the School District may purchase a greater quantity than the quantity listed on the detailed Specifications, if the School District elects to do so, in its sole and absolute discretion. In the event that the School District elects to purchase a greater quantity than the quantity listed on the detailed Specifications, the price for such additional quantities shall be per the lesser of: (i) the "Unit Price" included on the Bid Form for each item requisitioned; or (ii) the lowest price previously quoted to or charged by the Bidder to the School District for like goods or services in like quantities under similar circumstances. The products, materials and equipment to be ordered by the School District shall be requisitioned on an as-needed basis. In the School District's sole and absolute discretion, upon written notice to the Supplier, the School District reserves the right to purchase additional supplies that are in conformance with the detailed Specifications for up to six (6) months immediately following the date of the bid opening upon the same terms and conditions set forth in this bid package and the Contract Documents.

Price: Supplier warrants that the prices stated on the Bid Form are the lowest net prices charged by Supplier to any other customer for like goods or services in like quantities under similar conditions. If Supplier quotes a lower price within thirty (30) days after delivery to the School District, Supplier shall promptly pay to the School District a rebate in the amount of the difference of such amounts within ten (10) days of making such lower quote.

Delivery Due: The successful Bidder will be required to make complete delivery of Bid items to the School District on or after JULY 1, 2024, but no later than AUGUST 15, 2024. Successful Bidder and the School District shall cooperate in delivery scheduling arrangements.

Standard of Quality: Goods are to be new merchandise, not previously used or recycled merchandise. When a manufacturer and/or brand name and/or catalog number is specified, it is understood that the Bidder is responsible to provide the specified manufacturer and/or brand name and/or catalog number, as applicable, unless Bidder proposes a substitute as stated in the Contract Documents. The Specifications are intended to indicate quantity to be purchased, the quality, style, and specific features of those items. It is not the intent of the Wilson School District

to limit the Bidder to any one manufacturer/product specified, but rather to describe a standard of quality. Although specific manufacturers and/or models of item may be used in the Specifications, Wilson will consider proposed substitutions of at least the same quality, following the substitution proposal process set forth herein. Wilson School District is the sole determiner as to the quality and performance of the goods supplied by Supplier.

When a manufacturer, brand name or catalog number is specified, Bidder may propose to substitute substantially similar goods for those specified. When doing so, the substitute item shall indicate clearly the manufacturer and/or brand name and the catalog number of such proposed substituted items and provide a catalog cut which provides a description of the item sufficient to permit the School District to properly evaluate the proposed substitute. The catalog cut shall be marked in a manner to easily identify it with the item bid.

Bidders shall submit samples of the proposed substitute items at the same place and time the Bid is due. Samples shall be of sufficient size and quantity for an adequate evaluation and may be altered or destroyed during testing and evaluation by the School District. If the Bidder wants the sample(s) returned, the Bidder shall state with the Bid that the sample will be retrieved by the Bidder. A sample shall become the property of the School District if not retrieved by the Bidder within thirty (30) days after delivery thereof.

Freight and Delivery: All goods delivered pursuant hereto shall be delivered F.O.B. (without charges for delivery to and placing on board a carrier at a specific point) to the interior receiving area of the Wilson School District, 4 Cloister Court, Sinking Spring, PA 19608.

DELIVERIES SHALL BE MADE ONLY BETWEEN 7:30 A.M. AND 3:00 P.M., local prevailing time. Shipment shall be made only upon the receipt by Supplier of a written (or faxed, or emailed) written request signed by the School District. The requested supplies must be delivered to the School District by the date specified in the Contract Documents or as otherwise provided by the School District. Late deliveries will result in a one percent (1%) late fee for each day the delivery, or any portion thereof, is late, which late fee shall be applied to such delayed item's invoice, or any other invoice. The late fee provided herein shall not be the exclusive remedy of the School District upon a failure of Supplier to perform hereunder, and shall not interfere with or limit any other rights and remedies available to the School District upon a breach of the Contract Documents.

Delivery tickets and/or packing slips shall provide the following information: name of item, item number, quantity, Unit Price, invoice total and name of Bidder.

Failure to comply with these General Conditions, the detailed Specifications, or any other Contract Document is sufficient reason to refuse acceptance of any delivery, or portion thereof, with no liability accruing to the School District.

Upon acceptance as provided herein, providing the applicable invoices have been received by the School District, payment for such items will be made by the School District within thirty (30) days of such approval.

Reject Bids: The School District reserves the right to reject any or all Bids or parts of a Bid, to waive any informalities as received and to award the Bid in its entirety or to apportion such Bids into several smaller Bids in the School District's best interests.

Bid Withdrawal: Negligence by Bidder in preparing its Bid confers no right of withdrawal or modification of its Bid after such Bid has been opened. No claims on account of mistakes or omissions in any Bid will be considered. Notwithstanding the above, a Bidder may withdraw its Bid after such Bid has been opened in accordance with the causes set forth in the Pennsylvania Bid Withdrawal Act, Act No. 4 of 1974 73 P.S. Sec. 1601 et seq. Strict compliance with said Pennsylvania Bid Withdrawal Act is required to withdraw a Bid after Bid opening.

Prohibited Discrimination: The provisions of the Pennsylvania Human Relations Act 222 of October 27, 1955 (P.L. 744) (43 P.S. §951, et seq.) of the Commonwealth of Pennsylvania and Human Relations Contract Compliance, 16 Pa. Supplier shall agree to comply with the provisions of this Pennsylvania Human Relations Act and the Human Relations Contract, which is made part of these General Conditions as if included herein at length. (24 P.S. § 7-755).

Supplier's and Subcontractor's Insurance: Supplier shall not commence work under the Contract until he has obtained all the insurance required under this paragraph and such insurance has been approved by the School District, nor shall Supplier allow any subcontractor to commence work on its subcontract until the insurance required of the subcontractor has been so obtained and approved by the School District as provided herein. All of the Suppliers and subcontractors liability insurance providers must be licensed and authorized to conduct business in the Commonwealth of Pennsylvania. The insurance carriers of whom the Supplier and subcontractors have purchased insurance coverage are to have an A- or better rating plus a financial rating of VI or better with the "AM Best's Company Key Rating Guide" – latest edition.

- (a) Compensation and Employer's Liability Insurance: Supplier shall procure and shall maintain during the life of the Contract Worker's Compensation Insurance and Employer's Liability Insurance as statutorily required by the state and federal government for each accident, for all of his employees to be engaged in work on the Project, and in case of any such work sublet, Supplier shall require the subcontractor similarly to provide such Workmen's Compensation Insurance and Employer's Liability Insurance for all of the latter's employees to be engaged in such work.

- (c) Supplier's Protective Liability and Property Damage Insurance: Supplier shall procure and shall maintain during the life of the Contract Supplier's Protective Liability Insurance in an amount not less than \$1,000,000 for injuries, including accidental death, to any one person, in an amount not less than \$1,000,000 on account of one accident, and Supplier's Protective Property Damage Insurance in an amount not less than \$1,000,000.
- (d) Supplier's Automobile Liability and Property Damage Insurance: Supplier shall procure and shall maintain during the life of the Contract Automobile Liability Insurance in amount not less than \$1,000,000 for injuries, including accidental death, to any one person and subject to the same limit for each person, in an amount not less than \$1,000,000 on account of one accident and Automobile Property Damage Insurance in an amount not less than \$1,000,000 which Liability and Property Damage Insurance shall include all hired automobiles and all non-owned automobiles used by Supplier.

- (f) Scope of Insurance and Special Hazards: The insurance required under subparagraphs (b), (c), (d), and (e) hereof, shall provide adequate protection for Supplier and his subcontractors, respectively, against damage claims which may arise from operations under the Contract, whether such operations be by the insured or by anyone directly or indirectly employed by the insured and, also, against any of the following special hazards which may be encountered in the performance of this Contract: collapse and damage to underground utilities.
- (g) Proof of Carriage of Insurance: The Supplier shall procure, and shall keep in force for the duration of this Contract, a policy or policies of liability insurance, in the types and amounts described above, wherein the School District is named as an additional insured party, issued by a company which is satisfactory to the School District, covering all claims for personal injury, death, and property damage which arise out of or are in anyway related to any act done or omitted with respect to Supplier's performance of the Contract or in the course of such performance. Each such policy shall provide that no cancellation or material change thereof shall be effective until thirty (30) days after written notice of intent to cancel it has been given to the School District. Before performing any work for the School District hereunder, Bidder shall furnish the School District with a certificate of insurance from the insuring company, as evidence that such liability insurance has been obtained. In addition, all of the Supplier's insurance policies shall be primary and non-contributory with respect to any other valid and collectible insurance policies. Failure to furnish the correct

type of insurance on the correct forms in the correct amounts shall constitute a material breach of the conditions for award of the Contract and the Supplier shall be deemed to be in default.

Reports, Records, and Data: Supplier and each of its subcontractors shall submit to the School District such schedules of quantities and costs, progress schedules, payrolls, reports, estimates, records and other data as the School District may request concerning work performed or to be performed under this Contract.

Guarantee: Unless specified otherwise, Supplier shall guarantee that all goods received under the Contract shall be free from defects for a period of one (1) year from date of acceptance thereof, which shall be in addition to any guarantee provided by the respective manufacturers.

Prohibited Interests: No official of the School District who is authorized in such capacity and on behalf of the School District to negotiate, make, accept or approve, or to take part in negotiating, making, accepting, or approving, the Contract or any portion thereof, shall become directly or indirectly interested personally in the Contract or in any part thereof and Supplier shall immediately notify School District to the extent it becomes aware or has reason to believe that any such official has become so involved. No officer, employee, attorney, engineer or inspector of or for the School District who is authorized in such capacity and in behalf of the School District to exercise any legislative, executive, supervisory or other similar functions in connection with the Contract shall become directly or indirectly interested personally (except in such professional capacity) in the Contract or in any part thereof. (18 P.S. §7503; 24 P.S. §§ 7-751(e), 7-751.1; 62 Pa.C.S.A. § 4501 et. seq.)

Subcontracting:

- (a) Supplier may utilize the services of subcontractors.
- (b) Supplier shall not award any work to any subcontractor without prior written approval of the School District, which may be given or withheld in the School District's sole discretion. Supplier shall submit to the School District a written statement concerning the proposed award to the subcontractor, which statement shall contain such information as the School District may require.
- (c) Supplier shall be as fully responsible to the School District for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by them, as it is for the acts and omissions of persons directly employed by the Supplier.
- (d) Supplier shall cause appropriate provisions to be inserted in all subcontracts relative to the work to bind the subcontractors to Supplier by the terms of the General Conditions and other Contract Documents insofar as applicable to the work of subcontractors and to give Supplier the same power as regards terminating any subcontract that the School District may exercise over Supplier under any provision of the Contract Documents.
- (e) Nothing contained in the Contract shall create any contractual relation between any subcontractor and the School District.

Assignments: Supplier shall not assign the whole or any part of the Contract or any moneys due or to become due thereunder without written consent of the School District. In case Supplier assigns all or any part of any moneys due or to become due under the Contract the instrument of assignment shall contain a clause substantially to the effect that it is agreed that the right of the assignee in and to any moneys due or to become due to Supplier shall be subject to prior liens of all persons, firms and corporations for services rendered or materials supplied for the performance of the work called for in the Contract.

Mutual Responsibility: If through acts of neglect on the part of the Supplier, any subcontractor shall suffer loss or damage, the Supplier agrees to settle with such other subcontractor by agreement or arbitration, if it will so settle. If such other subcontractor shall sue the School District on account of any damage alleged to have been so sustained, the School District shall notify the Supplier, who shall defend such proceedings at the Supplier's expense and, if any judgment against the School District arises therefrom, the Supplier shall pay or satisfy it and pay all costs incurred by the School District in connection therewith. In the event the School District incurs any legal fees, the Supplier will be liable for the same.

Termination For Cause: In the event of termination for cause, the School District, in addition to all other damages recoverable by law, may recover from the Supplier legal fees, professional fees, costs, expenses, including, but not limited to, employee time attributable to said events, and the Supplier shall immediately pay the School District for the same. In the event the Supplier fails to adhere to this contractual provision or other requirements of the Contract, whether the subject provision is material or not, to the extent the School District incurs legal fees, professional fees, costs or expenses, of any kind, in the School District's attempts to enforce such provisions, the School District shall be entitled to assess and the Supplier shall be liable for the same to the School District. In such event, the School District may deduct such amounts from any application for payment, or other amounts invoiced by the Supplier.

Termination For Convenience: If the School District terminates the Supplier for convenience, the School District shall pay only so much of the contract price as is then due the Supplier for work performed or materials supplied in accordance with the Contract Documents in a manner satisfactory to the School District and nothing more.

Changes: The School District may at any time, by written order and without notice to the sureties, require the performance of such changes and alterations in the work as it may find necessary or desirable. The amount of compensation to be paid to the Supplier for any changes and alterations, as so ordered, shall be determined as follows:

- (a) By such applicable Unit Prices, if any, as are set forth in the Contract; or
- (b) If no such Unit Prices are so set forth then by a lump sum mutually agreed upon by the School District and the Supplier; or
- (c) If no such Unit Prices are so set forth and if the parties cannot agree upon a lump sum, then by the actual net cost in money to the Supplier of the materials and of the wages of applicable labor required for such changes and alterations, plus such rental for plant and equipment (other than small tools) required and approved, plus 10% as compensation for all other items of profit and costs or expenses, including, but not limited to, administration, overhead, superintendents, insurance, materials used in temporary structures, allowances made by the Supplier to subcontractors, additional premiums upon the Contract bonds of the Supplier, if applicable, and the use of small tools.

The School District reserves the right to accept or reject a proposal of the Supplier, to obtain quotations from other sources and to employ other parties to perform such work or parts thereof if the School District sees fit.

The Supplier shall proceed with changes, alterations or deviations after receiving written authorization from the School District therefor and such work shall be controlled by all the terms and provisions of the Contract.

Timing: Time is of the essence in the performance of the Contract Documents. If services are not completed, the proper good are not delivered, or goods are not delivered by the delivery date set forth herein or as otherwise required by the School District, the School District may terminate the Contract, purchase order, or any portion thereof, by written notice effective upon receipt by Supplier and obtain substitute services or goods elsewhere. Supplier shall promptly reimburse the School District for any loss or increased costs, including downtime or overtime costs, incurred by the School District as a result of obtaining such substitute goods or services.

Taxes: Supplier is solely responsible for the payment of any sales, use or other tax or duty levied or based on the price of any goods, work or services provided pursuant to the Contract Documents. If the School District pays any such tax or duty, Supplier shall promptly reimburse the School District therefor.

Invoice Disputes: The School District may dispute invoiced amounts and withhold the disputed amount while the parties try to resolve the dispute. Pending such dispute resolution, the parties shall continue to meet their other obligations under the Contract Documents. Payment of any fees by the School District shall not waive any rights, claims or remedies.

Limitation of Liability: Notwithstanding anything to the contrary, in no event shall the School District's cumulative liability to Supplier for all claims, liabilities, losses, damages, costs and expenses relating to the Contract Documents, or the goods or services provided thereunder, exceed the amount of the purchase price for any such goods or services that gave rise to such claims, liabilities, losses, damages, costs or expenses, less any amounts already paid by the School District for such goods or services. The School District shall not be liable to Supplier for any lost profit, loss of

business, loss of goodwill, indirect, incidental, punitive or consequential damages under the Contract Documents or relating to the goods and services provided thereunder.

Indemnification: Supplier shall indemnify, defend and hold harmless the School District, and its affiliates, officers, directors, employees, agents, successors and assigns from and against any and all losses, obligations, liabilities, claims, suits, judgments, damages (whether incidental, consequential, or otherwise), penalties, fines, costs and expenses (including, without limitation, reasonable attorney's fees) arising out of, or in connection with (a) the violation or alleged violation of any law, ordinance, regulation, or rights of third parties by reason of performance or nonperformance by Supplier under the Contract Documents; (b) breach of any term, condition, covenant, agreement, representation or warranty by Supplier; (c) any infringement or alleged infringement of any patent, copyright, trademark, or other intellectual property relating to the use or design of any equipment, materials, goods or services furnished by Supplier under the Contract Documents or the processes or actions employed by or on behalf of Supplier; (d) injury or death to persons or any real or personal property damage, arising from or relating to the goods or services provided by Supplier under the Contract Documents or acts or omissions of Supplier or its officers, directors, employees, agents, contractors or subcontractors; or (e) claims arising from or relating to injuries to or death of Supplier's employees, including, but not limited to, claims based upon allegations of negligence of the School District. The indemnity provided in clause (e) is applicable to claims for which Supplier has or may have immunity under the Pennsylvania Workmen's Compensation Act, or other similar law, and Supplier agrees and acknowledges that by undertaking to indemnify the School District, Supplier is expressly undertaking indemnification liability by written contract pursuant to Section 303(b) of the Pennsylvania Workmen's Compensation Act, or any other similar law. Supplier's obligations under this section shall not be limited to its insurance coverage.

Materials, Services, and Facilities: It is understood that Supplier shall provide and pay for all materials, labor, tools, equipment, transportation, superintendence, and all other services and facilities of every nature, whatsoever necessary to execute, complete and deliver the goods within the specified time.

Written notice shall be deemed to have been duly served when delivered personally to or at the last known business address of the person, firm or corporation for whom intended, or to his, their or its duly authorized agent, representative or officer, or when enclosed in a postage prepaid wrapper or envelope addressed to such person, firm or corporation at his, their, or its last known business address and deposited in a United States Mail Box.

Supplier's Obligations: Supplier shall and will, in a good and workmanlike manner, do and perform all work and furnish all goods in accordance with the terms and conditions provided by the Contract, within the time herein specified, in accordance with the provisions of the Contract. Supplier shall observe, comply with and be subject to all terms, conditions, requirements and limitations of the Contract, and shall do, carry on and complete the obligations arising out of the Contract to the satisfaction of the School District.

Worker's Compensation Act: Supplier shall accept, insofar as the work covered by the Contract is concerned, the provisions of the Pennsylvania Workmen's Compensation Act, 77 P.S. § 1 et seq., and any supplements or amendments thereof, including any which may hereafter be passed and shall insure his liability thereunder, or file with the Wilson School District, a certificate of exemption from insurance from the Bureau of Workmen's Compensation of the Department of Labor and Industry.

Observance of Laws: Supplier at all times shall observe and comply with all federal and state laws and local ordinances and regulations in any manner affecting or relating to the Contract Documents and all such orders or decrees as exist at present and those which may be enacted later by bodies or tribunals having jurisdiction or authority over or relating to the Contract Documents, and shall indemnify, defend and hold harmless the School District and all its officers, agents and servants against any claim or liability arising from or based on the violation of any such law, ordinance, regulations, order or decree, whether by itself or its employees. The Pennsylvania laws that Supplier should particularly review for applicability to this Bid, include, without limitation:

- (a) "Public Works Suppliers' Bond Law of 1967," 8 P.S. § 165-1 et seq., for particulars relating to performance and payment bonds.
- (b) PROVISION FOR THE USE OF STEEL AND STEEL PRODUCTS MADE IN THE U.S. In accordance with Act 3 of the 1978 General Assembly of the Commonwealth of Pennsylvania, if any steel or steel products are to be used or supplied in the performance of the Contract, only those produced in the United States as defined therein shall be used or supplied in the performance of the Contract or any subcontracts

thereunder. In accordance with Act 161 of 1982, cast iron products shall also be included and produced in the United States. Act 141 of 1984 further defines "steel products" to include machinery and equipment. These acts and laws provide clarifications and penalties.

Jurisdiction; Venue: Any suit, action or other proceeding seeking to enforce, or in any way relating to, any provision of the Contract Documents shall be brought only in the Court of Common Pleas of Berks County, Pennsylvania or the United States District Court for the Eastern District of Pennsylvania. Supplier irrevocably consents and submits to the jurisdiction and venue of such courts and irrevocably waives any objection which it may have to the laying of the venue of any suit, action or proceeding brought in such courts and any claim that such suit, action or proceeding brought in such courts has been brought in an inconvenient forum or that such courts lack jurisdiction.

Severability: If any provision of these General Conditions or the Contract Documents, or any portion thereof, is held invalid or unenforceable by any court of competent jurisdiction, the other remaining provisions will remain in full force and effect. Any provision of these General Conditions or any Contract Document held invalid or unenforceable only in part will remain in full force and effect to the extent not held invalid or unenforceable.

Waiver: Neither the failure nor any delay by the School District in exercising any right, power or privilege under these General Conditions, or the Contract Documents, will operate as a waiver of any such right, power or privilege, and no partial exercise of any such right, power or privilege will preclude further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

Governing Law: The Contract Documents and transactions contemplated thereby shall be governed by, and construed in accordance with, the domestic internal laws of the Commonwealth of Pennsylvania, without regard to its principles pertaining to the conflict of laws.

Acceptance of Goods. The School District's payment of the purchase price, or any part thereof, does not constitute acceptance of the goods or services. Goods and services are subject to inspection and rejection by the School District within a reasonable time following receipt by the School District. Risk of loss does not pass to the School District until acceptance of the goods or services. To the extent practicable, defective or nonconforming goods will be returned to Supplier, at Supplier's sole cost and expense, and the risk of loss with respect to such defective or nonconforming goods shall never pass to the School District and shall remain with Supplier.
