

EXTENSIONS

Q: Can I request an extension of time to file my tax return?

A: Yes, a taxpayer may request an extension of time to file a BPMT return. Note, however, that an extension of time to file is not an extension of time to pay. Payment of the estimated amount of tax must be made at the time you file your request for extension. To request an extension, you must timely submit the return form and check the appropriate box on the front of the tax form and include a copy of the federal tax extension coupon (amount paid with coupon can be redacted) along with the payment of Business Privilege/Mercantile tax due. An extension is only granted if the federal return was extended. *For more information, see Section 301 of the Business Tax Regulations.*
